About RWA DUBAI

The first two editions of the RWA DUBAI - World Token Summit powered by Cardano Foundation initiated significant discussions on tokenization. The inaugural event introduced key concepts and attracted early adopters, while the second edition expanded its focus on innovative RWA projects and regulatory advancements. Together, these editions positioned the summit as a leading platform for exploring the future of tokenized assets, setting the stage for an ambitious third edition.

VOSTAD

Dear Valued Partner in the RWA Ecosystem,

We deeply appreciate the opportunity to potentially collaborate with you and believe your participation would significantly enhance the RWA Dubai 3.0 experience.

With a limited number of sponsorship spots available, we encourage you to act promptly to secure your place and contribute to the future of RWA Tokenization.

Your involvement extends beyond mere sponsorship—it is a vital component of our event's success. We are enthusiastic about the prospect of working together and are committed to supporting you throughout this journey.

Seize this opportunity to elevate your brand at a premier event. We eagerly anticipate your positive response and look forward to having you on board.

Best regards,

Zahid Mir

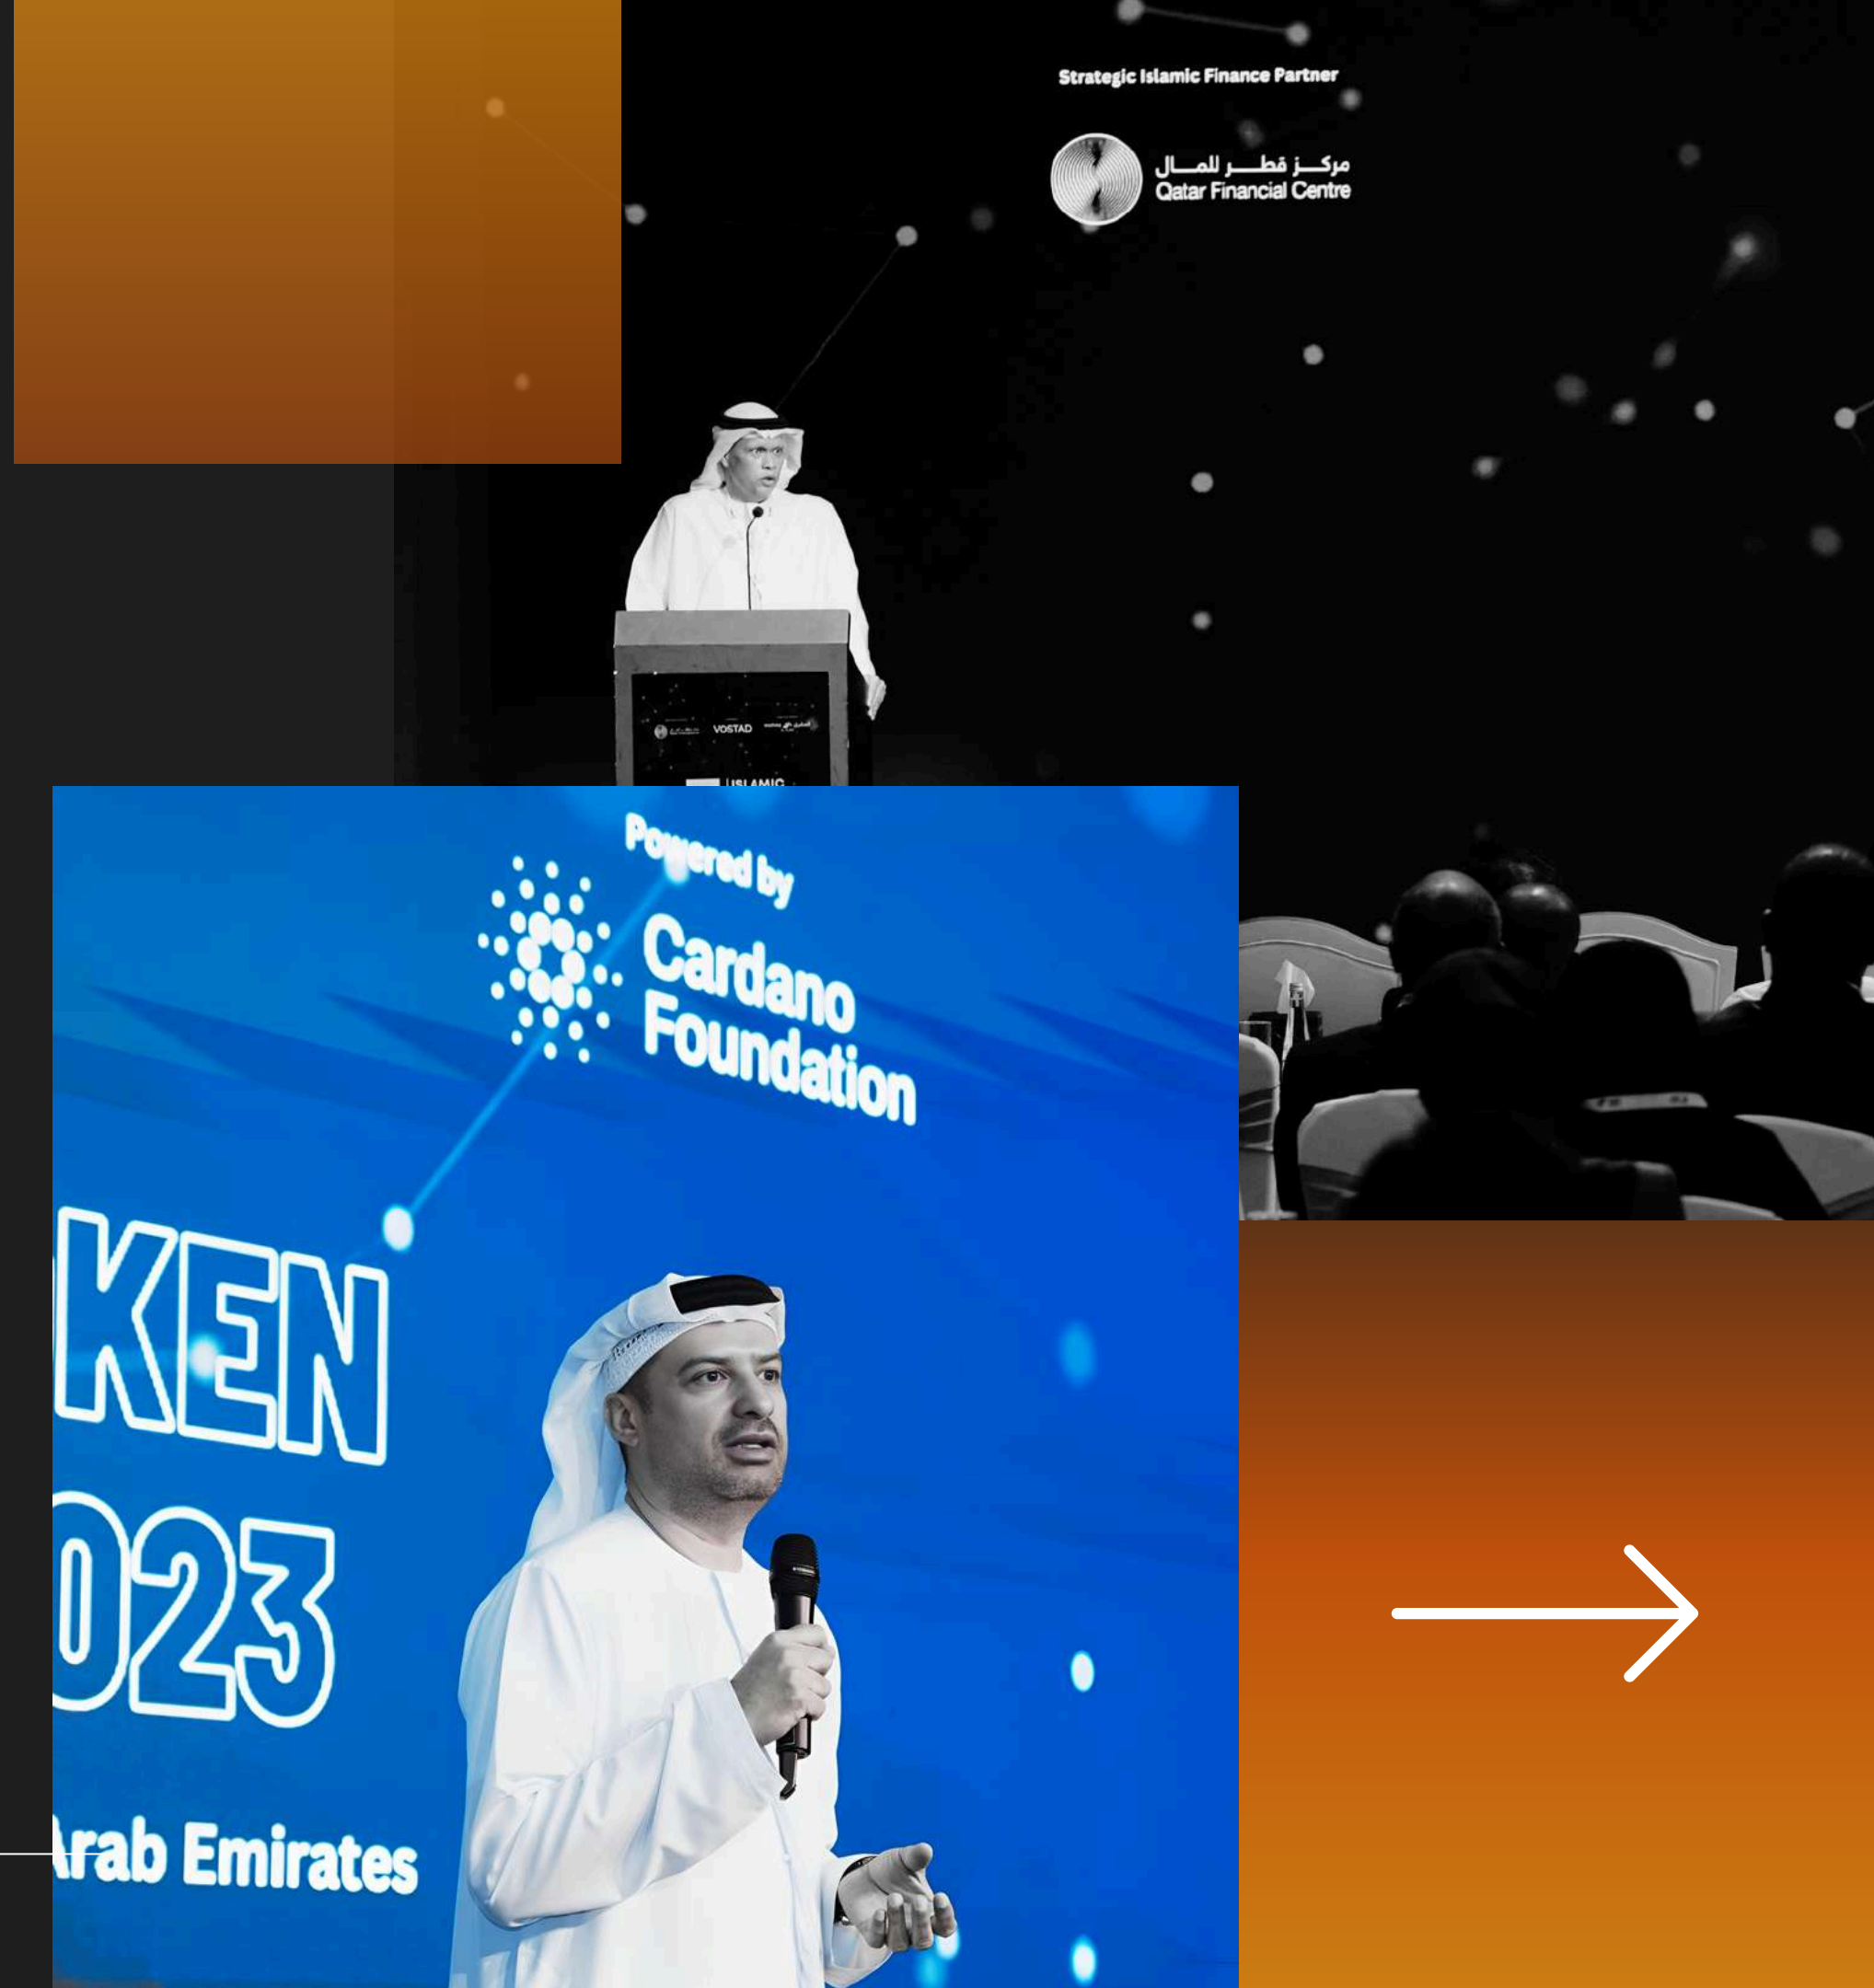

CEO, VOSTAD

Director, RWA Dubai and World Token Summit
